Meet Ahdrina!

Ahdrina is very compassionate and bonds easily with people.

Ahdrina is very compassionate and bonds easily with people. She enjoys watching cartoons on Disney and Nickelodeon, and her favorite TV show is Dora because she shares her sense of adventure. Ahdrina said that she listens to Christian music because it makes her feel happy. When it's hot outside, Ahdrina likes to play in the sprinkler or throw a baseball around in the backyard. She is very athletic and says her perfect day would include playing baseball, soccer, gymnastics, and basketball. Ahdrina aspires to go to college and become an FBI agent when she grows up because she likes figuring things out.

Ahdrina is caring and empathetic and has a great sense of humor. She would like her future family to know that she likes to make people happy when they feel sad. Ahdrina thrives on one and one attention and would do best in a two-parent home that has either no children or children who are much older. It is important to Ahdrina that she can maintain contact with her sister, and she would flourish in a placement that would allow her to participate in sports. At this time, DCS is only willing to consider families who have trauma-informed care experience.

Ahdrina was born in 2010.

For more information reach out to Heather Pava at SYP-Inquiries@cfcare.org.
