**Meet Kevin!**

***Kevin is an amazing and energetic young boy with a passion for superheroes and a love for spending quality time with others.***

His interests in playing with Legos, stuffed animals, and drawing comics show creativity and imagination. His enthusiasm and talkative nature make him a joy to be around, as he shares his excitement and ideas with those he interacts with.

The ideal family would be a two-parent household who enjoys playing around, and just being silly together. A family that is warm and has solid boundaries would be great. Older siblings would be ideal but Kevin would be fine as an only child as well. A family that is understanding and patient, that will allow Kevin the time to get comfortable and know that he can trust you would be good.

Kevin was born in 2013.
