**Meet Omar & Oscar!**

***Meet Omar and Oscar! They share a strong bond and enjoy playing video games and working out together.***

While Omar used to play football and basketball, he's now into volleyball. They both really like collecting Pokémon and enjoy Chinese food. Pop and rap music are their favorites. Omar, the older one, looks out for Oscar and takes on the protective role. They are searching for a family and are open to any setup that provides support, structure, and discipline. Their favorite family activities include watching movies, playing board games, and going on hikes. What they truly hope for is a patient and understanding family to call their own!

Omar was born in 2008. Oscar was born in 2010.
