

ConnectOne Meet Tauke!

Tauke is a caring and funny young man!

He is active and loves being outside. Tauke likes to go hiking, swimming, and ride his bike or scooter. His favorite places are on top of a mountain and in the water. His biggest dream is to climb a big, tall tree. Tauke also loves to dance and sing. His favorite song is “Believer” by Imagine Dragons!

He enjoys watching Youtube and playing on his tablet. His favorite movie is Boss Baby, and his favorite TV show is Teenage Mutant Ninja Turtles. He likes action figures and wants to be a Police Officer when he gets older. His favorite food is eggs with a lot of ranch. His favorite restaurant is McDonald’s.

Tauke enjoys school and his favorite subject is reading because he likes books. He wants to learn how to do is ride a motorcycle and play the guitar!

He would do best with a family where he is the only child or significantly younger than the other youth in the home. A family who has experience parenting or fostering youth with trauma is ideal. A family that is patient, understanding, ready to work hard, and consistent would benefit him greatly. It is asked that the family can provide a very structured environment for Tauke. Tauke is very affectionate and loving so a family that can be affectionate back with him and can make him feel loved and cared for is important.

Tauke was born in 2012.
