

ConnectOne Meet Miguel!

A kind and respectful young man who enjoys to do a wide variety of things.

When inside, Miguel loves to color and draw all kinds of things. His favorite things to color are animals of any kind. He also likes to watch cartoons like SpongeBob and play video games. Outside, Miguel loves to play sports. His favorite is soccer but he is good at other sports like Pickleball. He enjoys going to the park to ride his bike and play soccer.

Miguel has a very laid-back, go-with-the-flow personality so it was hard for him to choose his “favorites” for some things! After some thinking, he thinks that his favorite food is pepperoni pizza and his favorite place to eat is McDonalds. He doesn’t have a favorite song or musician and instead just likes to listen to whatever is on the radio.

His favorite subject in school is lunch and the thing he enjoys most about the school day is being able to talk with his friends. He is not sure what he wants to be when he gets older just yet.

The best environment for Miguel would be a two-parent, mom-and-dad home, with other children so Miguel can have siblings. The best family would be one that understands and accepts his quiet and reserved personality and is patient with him as he learns to open up more.

Miguel was born in 2010.
