Meet Joshua!

Joshua is a hilarious and energetic kid who loves to play video games and Legos.

Outside, he loves to ride his bike, go swimming, play basketball, and go to the park to play with friends.

Joshua's favorite type of music is rap, and loves the artists Blue Face and Michael Jackson. He enjoys eating his favorite food, tacos, but his favorite restaurant is Panda Express. His favorite shows are Anime and his current favorites are Seven Deadly Sins and Naruto. His perfect day would include him being happy and playing Fortnite all day!

In school, Joshua says his favorite subject is reading and recess. At recess, he enjoys playing basketball with his friends or just walking around. Joshua wants to be the best video game player ever! If he became a billionaire from this, he stated that his first purchase would be Nerf guns!

The ideal family for Joshua consists of a two-parent household ready to love him unconditionally. Joshua is open to having siblings but would do best in a home without younger siblings. Joshua says he would like his forever family to know that he is helpful and can do flips underwater. Also, he is grateful and likes to be hugged and loved. He would love a family that has land where he rides dirt bikes and four-wheelers as well as has animals. Joshua would like his forever family to be nice, caring, and love him.

Joshua was born in 2008.
